Ask a question about this product

Manufacturer: Techmaster

Description

Applications:

	Felecommunication Networks
	CATV
	AN & WAN
	Metro
	Broadband
	Test Equipment
Spe	ications:

 Insertion loss: MM<0.40dB Durability <0.2dB typical change, 1000 Mating Operating temperature: -40? to +80? Storage temperature: -40? to +80? 			
Features:			
 Low insertion loss and back reflection loss 			
High precision alignment			
ANSI, TIA/EIA, NTT and JIS compliance			
Compact design			
Choice of housing material and sleeve material			
NTT-FC Compatibility
